SCOREBOARDS PLUS

FAIR-PLAY SCOREBOARDS
CONTROL OPERATING INSTRUCTIONS

GENERAL :

Before starting, check that the controller is connected correctly :

- Plug the controller in. Also plug the data cable into either *"Scoreboard"* jack. (NOT *"Timer"*) on the back of the control, then into the appropriate wall jack.
- Turn *ON* the control. (On/Off switch is on the back)

TO START A NEW GAME :

- Push *">>"* (Right arrow button) .
- Answer *YES* to the question "NEW GAME?".

Make Sure Rocker Switch is off before setting time

DATA ENTRY :

CLOCK

1) START / STOP : Push *"Time In"* rocker switch.

2) CORRECT THE CLOCK :

- Press *"Set Clock"*
- Press 4 Digits for the correct time, eg. 0523 for 5:23 (5 minutes, 23 seconds).
- Press *"Enter"*

SCORE

CHANGE SCORE :

- Press *"Home Score"* or *"Visitor Score"*
- Press "+1" or "-1"

OR

- Press *"Home Score"* or *"Visitor Score"*
- Press appropriate keypad number (eg: 3)
- Press *"Enter"*.

PERIOD

CHANGE PERIOD :

- Press *"Period"*.
- Press "+1" or "-1"

FOR ANY ASSISTANCE OR CLARIFICATION, PLEASE CALL SCOREBOARDS PLUS AT 1 800 755-0230.

Turn Over

[redacted]

1) **ENTER A PENALTY** :

- Press *"Home Penalty"* or *"Visitor Penalty"*
- Press "2:00" or "4:00" or "5:00" or "10:00"
- Press one or two digits for the player's number
- Press *"Enter"*.

2) **CLEAR A PENALTY** :

- Press *"Home Penalty"* or *"Visitor Penalty"*
- Press *CLR"* (Clear)
- Press one or two digits for the player's number
- Press *"Enter"*
- Press *"Enter"* again to clear, **OR** enter a new time.

NOTE: During a game, if you correct the game clock while penalty times are counting, the control will ask if you also want to correct the penalties. If you respond *"YES"*, you will be prompted for the remaining time for each penalty. Enter the corrected *time* for each player. (4 Digits - eg. 0130 for 1:30, then *"enter"*.)

OTHER :

[redacted] HORN

Can be sounded any time by pushing the *"Horn"* button. Horn sounds automatically at **0:00.** To turn off/on this function, press *"Auto Horn"*.

[redacted]

The main clock can display three different clock modes: *Game Time*, *Break Time* or *Over Time*. To alternate between them:

- Press *"Set Clock"* until the desired clock mode is displayed.
- Press *"Enter"*.

[redacted]

- Press *"Home Timeout"* or *"Visitor Timeout"*
- Press "-1" to **Start / Stop** timeout timer. Horn will sound for one second with 15 seconds left and again at 0:00.

[redacted]

When the scoreboard is not being used for a game, the time of day can be displayed instead :

- Press ">>" (Right Arrow) until *"TOD Clock?"* is displayed.
- Press *"YES"*.
- Press *"Set Clock"*.
- Press 4 Digits for the correct time, (eg. 0523 for 5:23).
- Press *"Enter"*.

DO YOU KNOW ?

Several functions (eg: length of a period) can be re-set on this controller. If you need this information changed, speak to the facility manager. **Only authorised personnel have access to the programming mode on this controller.**
